Ingredients

Beet Molasses, Soybean Meal, Corn Distillers Dried Grains, Corn Gluten Meal, Vegetable Fat, Monocalcium Phosphate, Dicalcium Phosphate, Calcium Carbonate, Magnesium Oxide, Vitamin A Supplement, Vitamin D-3 Supplement, Vitamin E Supplement, Zinc Oxide, Copper Sulfate, Manganese Oxide, Sodium Selenite, Zinc Proteinate, Copper Proteinate, Manganese Proteinate, Cobalt Proteinate, Cobalt Carbonate, Ethylenediamine Dihydrochloride, Dried Aspergillus oryzae Fermentation Product, Choline Chloride, Niacin, Riboflavin, Vitamin B-12 Supplement, Thiamine Hydrochloride, Calcium Pantothenate.

Sizes Available
200 lb (90.7 kg) keg

Product #
20035

Key Benefits:

The correct balance of required minerals and vitamins.

Provides supplemental protein and energy along with balanced levels of all necessary vitamins, minerals and trace minerals to promote general herd health, reproduction, and maintenance.

Contains organic Copper, Zinc, Manganese, and Cobalt.

Highly available sources of trace minerals for maximum reproduction and health.

The Amaferm® advantage

Stimulates fiber digestion and nutrient absorption to maximize forage utilization. Reduces the need to supplemental feeding.

What value does it have in the animal?

Offers a complete, all in one, convenient free choice method for supplementation of low quality forages.
