

## FEATURES

- 26% Fat
- Added flax
- Extruded
- Chelated Trace Minerals

Packaging: 40 lb Poly Bags

For All Horses

### Enhance growth, performance and appearance

**Envision® Classic** is an extruded (fully cooked) mini-nugget that contains a blend of high-quality vegetable oil sources. Fortified with amino acids, minerals and vitamins necessary for growth, performance and appearance.

### Get the Envision® Classic Advantage:

- Concentrate source of fat reduces the amount of grain needed
- Added minerals and vitamins for muscle and body function
- Extruded (fully cooked) for maximum digestibility
- Small mini-nugget blends easily into the grain mix for consistent intake
- Healthy fat levels and controlled starch for EPSM/PSSM
- Balanced calcium to phosphorus ratio for joint and bone health
- Balanced Omega 3 and Omega 6 fatty acids for enhanced hair coat and over-all appearance

### Other Features and Benefits

- A blend of vegetable oils, including flax, for enhanced hair-coat condition
- Added amino acids, minerals, and vitamins for optimal performance
- Vitamin E and chelated trace minerals
- Controlled starch formulation
- Aroma and Taste horses like

## Feed Directions—Per 1,000 lbs of Body Weight

	Daily Amount of Envision® Classic
Improved Body Condition	Add 1 1/2 lbs to 3 lbs to the daily grain mix
Added Strength and endurance for horses in moderate to intense training	Add 1 1/2 lbs to 3 lbs to the daily grain mix
For Improved hair coat quality and healthy skin	Add 4 to 8 ounces to daily grain mix

Envision® Classic should always be added to a fortified diet. Start by adding Envision® Classic very slowly to the diet (2 ounces daily) and work up to the desired feeding level.

## GUARANTEED ANALYSIS
