

Premium Senior Formula Pellet

FEATURES

- Quality Amino Acids
- Added Flax
- Added Fiber
- Yeast Culture
- Chelated Trace Minerals

Packaging: 50 lb Paper Bags

A "Complete Feed" formulated for the special needs of the older horse

Premium – Senior Formula is formulated to meet the special needs of the older horse and can be used for all mature horses when good quality hay is not available.

Get the Premium Senior Advantage:

- A premium feed, formulated and balanced for the special needs of the older horse
- For older horses that are unable to chew and digest hay and pasture
- A complete feed that contains enough fiber to make up for little or no hay in the diet
- Can be used to stretch a limited hay supply
- Balanced Omega 3 and Omega 6 fatty acids for enhanced hair coat and over-all appearance

Premium - Senior Formula Contains

- NO Cereal Grains (such as Corn, Oats or Barley) in Pellet Formula for ease of digestion.
- Fiber, including beet pulp, for healthy gut function
- Balanced lysine and other amino acids for muscle maintenance
- Vegetable oil for skin and hair condition
- Yeast for improved digestive function
- Added ProBiotics
