ULTIMATE FINISH™ 40

PELLETED FAT SUPPLEMENT FOR ALL HORSES

Highly fortified soft pellet	Provides superior digestibility and reduces opportunity for sorting
Highly palatable, calorie dense fat source	A low inclusion rate provides highly digestible fats in a smaller meal size
Added source of Omega 3 and 6 Fatty Acids	Reduces inflammation and supports healthy immune function
Decreases thermal stress during exercise	Helps produce less body heat than when utilizing carbohydrate energy sources
Decreases lactic acid production	Increases endurance and stamina
Low starch and sugar formula	A controlled release of highly digestible fats which can safely be fed to horses with metabolic issues
Long shelf life	Soft pellet form provides a more stabilized product
